FISG South Africa – 50% Non-Drawdown Deposit Bonus

TERMS AND CONDITIONS

1. Introduction & Overview

1.1 The 50% Non-Drawdown Deposit Bonus ("the Promotion") is offered by FISG South Africa ("the Company") to eligible clients who register and deposit funds into their live trading account.

1.2 By participating in this Promotion, clients agree to be bound by these Terms and Conditions alongside FISG South Africa's standard Customer Agreement and Trading Terms.

2. Eligibility Criteria

2.1 The Promotion is available to new clients residing in South Africa who are at least 18 years of age.

2.2 The Promotion applies exclusively to qualifying live trading account types as designated by the Company.

2.3 Employees, directors, agents, or affiliates of FISG South Africa, as well as their immediate family members, are not eligible to participate in this Promotion.

3. Bonus Mechanics & Structure

3.1 **Bonus Percentage:** Eligible clients receive a 50% bonus on qualifying deposits made during the promotional period.

3.2 **Minimum & Maximum Limits:**

- **Minimum Qualifying Deposit:** 50 USD
- **Maximum Cumulative Bonus Cap:** 1000 USD per client.

3.3 **Non-Drawdown Nature:**

- The bonus credit is intended strictly to increase trading leverage and margin capacity.
- The bonus cannot be drawn down upon or used to absorb trading losses.
- If equity minus the bonus amount drops to zero or below (i.e., when total floating losses equal or exceed the client's own deposited funds/balance), the bonus will be automatically removed, and the account may be subjected to a stop-out or margin call.

4. Withdrawal Restrictions & Bonus Cancellation

4.1 **Withdrawal of Client Funds:**

- Clients may withdraw their own deposited funds and any realized profits at any time, subject to standard withdrawal procedures and margin requirements.

> ***Example:*** *If a client withdraws 50% of their cash balance, 50% of the active bonus credit will be cancelled.*

4.3 **Non-Transferable:** Bonus funds cannot be transferred between different trading accounts held with FISG South Africa.

5. Bonus Convertibility & Trading Requirements

5.1 The bonus credit itself is non-withdrawable as cash unless specific trading volume requirements are met.

5.2 Only closed trades held for longer than 60 minutes will count toward the volume requirement. Hedged positions or scalp trades under the threshold are excluded.

6. Abuse, Misuse & Fraudulent Activity

6.1 FISG South Africa reserves the right to decline, cancel, or reverse the bonus, as well as void profits generated using the bonus, if any client is suspected of abusive or manipulative practices, including but not limited to:

- Internal or external hedging of positions across multiple accounts.
- Arbitrage strategies, latency trading, or exploitation of system errors.
- Creating multiple accounts to claim.

6.2 In cases of suspected abuse, the Company reserves the right to lock, restrict, or terminate the client's trading account without prior notice.

7.1 **Modification & Termination:** FISG South Africa reserves the right to amend, suspend, or terminate this Promotion or any aspect of these Terms and Conditions at any time without prior notice.
